21st-23rd May 2007

Centro de Convenções Rebouças, São Paulo – SP, Brazil

CALL FOR PAPERS

The Audio Engineering Society – Brazil Section – is happy to announce its 5th Conference and 11th National Convention, to be held in São Paulo, Brazil, in May 2007.

This year's theme is "Innovations in Audio".

We invite all members from scientific and technological communities in audio, engineering, computer, music, and acoustics to submit original papers and posters. Manuscripts must be submitted in electronic format (PDF or PS) using the JEMS/SBC system, at <https://submissoes.sbc.org.br>. Submissions in Portuguese, Spanish and English will be accepted. Further instructions will be available from the conference website, at <http://www.aesbrasil.org/Congresso2007-en.html>.

Questions to the conference organization should be addressed to aesbrasil2007@aesbrasil.org.
