5th-7th May 2008

Centro de Convenções Rebouças, São Paulo – SP, Brazil

CALL FOR PAPERS

The Audio Engineering Society – Brazil Section – is pleased to announce its **6th Conference** and **12th National Convention**, to be held in São Paulo, Brazil, in May 2008. This year's theme is: ***"The Surround Convergence"***.

We invite all members from scientific and technological communities in audio, engineering, computer, music, and acoustics to submit original papers and posters, and communications of ongoing works. Manuscripts must be submitted in PDF electronic format using the JEMS/SBC system, at <https://submissoes.sbc.org.br>. Submissions in Portuguese, Spanish and English will be accepted. Further instructions will be available from the conference website, at <http://www.aesbrasil.org/Congresso2008-en.html>.

Questions to the conference organization should be addressed to aesbrasil2008@aesbrasil.org.
